

Symbol number 5.1.11. as defined in ISO 15223-1

"CC" shall be replaced by country code defined in ISO 3166-1.  
The date of manufacture may be added adjacent to this symbol.

Country of manufacture  
(Non-preferential origin)

Made in Italy

(MD wholly obtained in Italy or where  
its last substantial transformation has  
taken place in Italy)

MD or its parts or its materials  
were produced somewhere in EU

Preferential EU origin

(Preferential origin is conferred  
on MDs from particular countries  
when they fulfil the **rules of  
origin** provided for in the  
relevant **preferential arrangement** to benefit from a  
reduced customs duty or even  
free of duty)
